SCHOLARSHIP

BERA's Hispanic Heritage (HHC) is committed to supporting the educational achievements of Hispanic students. We are proud to announce that we will be granting two \$500 scholarships to high school seniors who will start college in the fall of 2007.

The scholarships are funded by proceeds from ticket sales of events sponsored by the HHC in the past and will require continuous fundraising in order to grant scholarships annually.

Students are expected to have some degree of Hispanic ancestry, attend Longwood, Riverhead or William Floyd high schools and have a desire to pursue a science or engineering degree. The application deadline is February 28, 2007. The winners will be announced in mid-April 2007.

Volunteers to help in this very rewarding endeavor are needed. Please contact Carmen Narvaez at ext. 3254 or Alejandro Sonzogni at ext. 5334.
